

TRIBUTE WAS paid, Saturday, to the late Dr. William A. Winn, medical director and administrator of the Springville hospital for 31 years, when the vocational and occupational therapy building at the hospital was dedicated as the Winn Memorial building. Participating in the ceremony were, from left above:

Ray Longley, who was chairman of the Tulare county board of supervisors when the building was constructed; Dr. Robert Crane, medical director of the hospital; Charles Cummings, seated, chairman of the county board of supervisors; and Robert A. Moody, central valley rehabilitation representative. Mrs.

Winn unveiled the memorial sign at conclusion of the ceremony; persons attending viewed facilities in the building (photos at left) and enjoyed a buffet lunch, eating on the porch on the south end of the building. Dr. Winn died December 18, 1967.

SECTION A

COMMERCIAL TIME NOW RUNNING IN TWO DIRECTIONS

FOR THE third time in the past several years a new shopping center has been announced for the Porterville community. This week, another announcement was made and this time it looks like for real, with the Heron corporation a member of the Louis L. Kelton and Walter Bollenbacher group of companies to have a \$4,000,000 Porterville Plaza in operation at the southeast corner of Henderson and 65 freeway by the fall of 1969. Among firms that are said to have locations in the 22-acre shopping center are Montgomery Ward, W.T. Grant; and United California bank; space will be

provided for small and major independent businesses, a market, and a restaurant; parking space for 1,200 cars is planned. Which means that downtown Porterville better get to jumping - a fact that becomes obvious when the scene that is developing, as old buildings go down to make way for city parking, becomes more and more obvious - or is the word, "obnoxious." Examples of what can be done to improve second store entrances off parking lots can be seen at Cole's and San Joaquin bank.

Redwood Grove Dedication Program June 22

LINDSAY - Herman C. Landers, of Lindsay, has been named program chairman for the inaugural dedication of the Redwood Grove of Honor at Sequoia Crest, in the High Sierra, Saturday, June 22.

Albert C. Tienken, retired Lindsay druggist, will be honored that day by having the first redwood tree dedicated to him. Landers is working up a dedication program which is scheduled for 11 a.m. The public is invited.

The Redwood Grove of Honor will be an avenue of redwood trees, each in time

Committee To Work For Elimination Of Judicial Appointments Politics

SAN FRANCISCO - More than 400 Californians, all leaders in public affairs throughout the state, have joined forces to press for legislative passage and voter approval of a proposed constitutional amendment aimed at taking the politics out of judicial appointment.

Formation of the California Judicial Merit Plan Committee to back the measure which would channel applicants for state court appointments through public nominating commissions was announced by William F. Bramstedt, a top San Francisco business executive who will serve as chairman.

Bramstedt said that the proposed California Judicial Merit Plan now pending in the State Legislature for placement on the November election ballot results from years of deliberation and evaluation by many of the state's best political, legislative and legal minds.

The plan would establish nominating commissions to screen and recommend to the Governor qualified candidates for vacant seats on California's Supreme Court, Courts of Appeal, Superior and Municipal Courts. Present voter confirmation of appellate court appointees and election of lower court judges would remain as at

present.

Serving on the committee from Tulare county are: Theodore O. Berry, Porterville; Maxwell King Jr., Lindsay; Velva M. Reagan, Visalia; Al Stoppel, Three Rivers; and R.J. Catron, Elmer Dutro, J.G. Fossett Jr., Frank Lagomarsino, W.D. Luton, and H.H. Sisson, Tulare.

ABALONES RESCUED BY SKIN DIVERS

SACRAMENTO - An abalone resource facing destruction in the dredging for a new boat harbor at Dana point on the Orange county coast has been saved by three southern California skin diving clubs working with the Department of Fish and Game.

Three hundred skin divers and four DFG marine wardens have rescued 1,400 pink and green abalones from inside the harbor area and transplanted them in suitable rocky areas nearby but outside the construction project. A DFG marine patrol boat served as their work ship.

The 300 divers were members of the Orcas Skin Diving club of Buena Park, the South Coast Sea Lions of San Clemente, and the North County Skin Diving club of Oceanside.

Marketing Assn. Shows Gains In First Quarter

VISALIA - California Livestock Marketing association handled more livestock, grossed more dollars and had better margins in the first quarter of 1968 as compared with the same period in 1967, according to H.C. Jackson, retiring manager, in a report to directors, meeting at Turlock.

Jackson said that CLMA made gains in earnings for the first quarter of 1968 or \$20,000 over budget estimates and \$50,000 over the first quarter of 1967. It handled 122,149 livestock worth \$11,287,422 compared with budget hopes of 97,000 livestock and \$8,645,650 and 1967 first quarter figures of 100,240 livestock and \$8,196,941.

Jackson declared that prospects for 1968 now appear brighter than predicted at the beginning of the year and much better than 1967. His report indicated that in all departments and salesyards, except the Alta yard, showed volume and income growth equal to or better than the corresponding period in 1967.

The Red Bluff market had approximately 25,000 cattle for the first quarter of 1968, 42% above budget estimates. Last year it handled 18,000 in the same period. Dollar volume was up \$1,200,000 or 50% above the association's estimates for the first quarter and 1-1/3 million dollars more than for the same period of 1967. This is the second best first quarter in the last six years at Red Bluff, being exceeded only by the 1966 marketing period.

The Stockton market had its best first quarter in six years and showed an increase in numbers for all species, surpassing all budget estimates and last years figures. Gains were also registered by Dixon sales yard and the county sheep and Visalia county cattle departments. Madera salesyard and the Dairy Herd improvement association record keeping were in line with expected volume and income.

Asparagus season is near completion in the Delta area.

Editorial Comment

MUNICIPAL PHYSICAL CONDITIONING

Commendable is the city of Porterville's participation in the national physical fitness program.

In fact the construction of obstacle courses where sidewalks should be is a stroke of imaginative genius that should put Porterville high on the list for all-American city honors.

The placing of utility poles in the middle of new sidewalks, or the construction of new sidewalks centered around utility poles, whichever the case may be, is sure to create a Porterville citizenry marked by grace and agility, or a citizenry marked by permanent knots on the front of its cranium.

In adjacent photos, an ordinary obstacle is shown at top, possibly a little off-center, but positioned in such manner as to bring the unathletic, the uncoordinated or the unsuspecting pedestrian to somewhat sudden attention.

Lower photo shows a more sophisticated and challenging obstacle on which a fire alarm box protrudes at about head level. Engineering data supports the thesis that this obstacle is designed to create great ringing of bells and flashing of lights - heard and seen only by persons afoot who have not yet mastered the art of observance and agility.

Complete cooperation in reaching national physical fitness goals requires that Porterville's sidewalk obstacle course program be rapidly implemented, regardless of cost.

More poles in the center of more sidewalks! More fire boxes protruding at head level - or possibly protruding signs proclaiming the virtues of mental alertness and agility! Perhaps smaller, but sturdy poles, interspaced between utility poles! Even, as the concept develops, Jungle Jim contraptions on every sidewalk in every block in Porterville.

What a magnificent potential this program has. Agile, alert, athletic citizens. The first national physical fitness award to an entire city.

And, who knows, maybe the ultimate, a high school football team on which every boy is a re-

OBSTACLE COURSE Looking East

OBSTACLE COURSE Looking West

incarnation of Crazylegs Hirsh - only crazier.

Egad man! Let's be up and doing. Tote them poles. Pour that concrete. Time's awasting.

WENTE BOARD CHAIRMAN OF WINE INSTITUTE

SAN FRANCISCO - Karl L. Wente of Livermore was elected chairman of the board of directors of the Wine Institute at the end of the 34th Annual Membership meeting of the California wine industry trade association in the St. Francis hotel. Don W. McColly of San Francisco was reappointed president and general manager, and Jefferson E. Peyser, San Francisco, was renamed general counsel.

James L. Riddell, Fresno, was re-elected Chairman of the Executive Committee, which also includes the Institute's elected officers.

The Board of Directors voted to hold its winter meeting in November in Palm Springs. The Annual Membership Meeting next June will be held in San Francisco.

In a meeting June 6, Alfred Pirrone, Salida, was elected Chairman of the industry's technological group, the 100-member Technical Advisory Committee.

The average dairy cow in the U.S. produces 8,821 pounds of milk annually. In California the state average is 11,170 pounds, the nation's highest.

I Feel Extremely Humble and Most Appreciative of the Help and Support From My Many Friends Who Worked and Voted For Me in the Campaign. I Truly Thank You and Will Do My Best To Prove Myself Worthy of the Honor Bestowed Upon Me.

s/ Charles J. Cummings

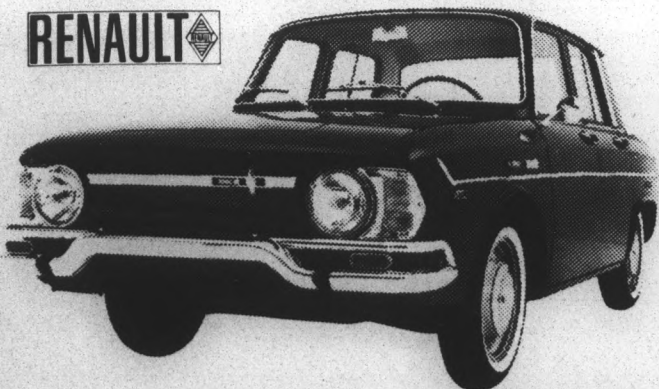

Two chairs. One couch. And twin beds.

In effect, that's what you get in the Renault 10. Its Bucket seats (two chairs) and ample back seat (one couch) are heavily padded with foam rubber. And with a simple touch of the lever, the front seats fold all the way back (twin beds).

Of course, there are things about the Renault 10 to remind you that it's still a car. Like 11 cubic feet of luggage space, 35 m.p.g., a surprising top speed of 85 m.p.h. and 4-wheel disc brakes.

But if you close your eyes you almost feel like you're in your own home.

And who ever heard of buying a home for \$1795 P.O.E.

"MY DOCTOR..."

This possessive phrase is familiar to all.

It represents

the profound confidence

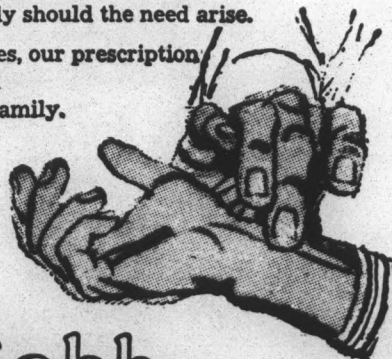

American people have in physicians.

But do you really have a family physician?

Even though you may have been fortunate, not requiring medical care, it is stitch-in-time wisdom to establish a "family doctor" relationship.

Simply contact the physician of your choice, requesting that you would like him to serve your family should the need arise.

And if such a need arises, our prescription department is prepared to serve you and your family.

OLDER MOTORISTS ARE OFFERED HELP IN RENEWING THEIR DRIVER LICENSE

PORTERVILLE - Older California motorists who have taken a refresher course in rules of the road and driving fundamentals stand a better chance of renewing their drivers' licenses on the first attempt.

Everett Collier, manager of the Porterville office, Department of Motor Vehicles, emphasizes the readiness of his office to participate in any refresher course of this kind

which might be organized with community backing.

"Age alone won't rule out any driver," says Collier. "An older driver who is physically capable and alert may not even be asked to take a behind-the-wheel test. However, all drivers should be prepared to take such a test if the examiner feels it is advisable.

"The major obstacle to making a passing score is being

unfamiliar with the latest rules of the road. This shows up as a lack of assurance when making signals or maneuvering the vehicle. A short classroom familiarization with the rules and proper maneuvers can instill this assurance in many drivers before they come to our office for a new license."

Collier said dozens of DMV managers, examiners and driver improvement analysts statewide donate personal time as lecturers at driving refresher courses for older motorists.

FEDERAL FUNDS FOR TULARE COUNTY HEADSTART PROGRAM

WASHINGTON, D.C. - Congressman Bob Mathias (R. - 18th Dist.) announced today that the Office of Economic Opportunity has granted \$566,423 to the Tulare county Community Action Agency to fund the Tulare County Headstart Program. The total cost of the program will be \$722,458 with \$156,035 of that amount being the local cost share.

The program will extend for 12 months and serve child care centers in 11 Tulare County communities.

Headstart provides pre-school training for children from low income families, including educational, health and nutritional assistance. Parents are encouraged to participate in all aspects of the program.

— CHIEF OF POLICE

Summer School Starts Tomorrow; Nearly 1,600 Students To Attend

PORTERVILLE - Nearly 1,600 students will start a six week summer session at Porterville High school, Friday, June 14, it was announced by Summer Session Principal L. Edgar Grimm.

In making the announcement Grimm urged students who have enrolled to attend the first day of summer session so that they may be sure of getting the class they have signed up to attend. "After Friday we will admit

students to classes only if there is room for them," he stated.

Grimm noted the normal hours of attendance will be from 7:50 a.m. to 12:05 p.m. with a 20-minute break from 9:50 a.m. to 10:10 a.m. He also said that programs will be distributed on the patio behind the administration building starting at 7:30 a.m. Friday.

Grimm stated that the

six-week summer session will cover all the material normally covered in a regular school year. "This means the individual student must be prepared to work hard at the subject he is taking," he said, "as he does not have as much time to digest the material under study." He added that summer session instructors are constantly urged to keep the standards of instruction high.

In addition to the 1,600 regular students during the summer there will be nearly 450 students who take driver training during the summer, he stated. Behind-the-wheel driver-training started today.

Cherry picking is near completion in the Stockton-Lodi area but is just starting in the Gilroy area.

SCHOOL'S OUT Drive With Care

PLEASE ...

Obey All Traffic Laws Drive A Safe Car

FOR OUR
CHILDREN'S SAKE!
KEEP OUR STREETS SAFE

YOU CAN HELP! HERE'S HOW..

1. Be sure that your car is mechanically safe. Check brakes, steering, lights, wheel balance and alignment, tires at frequent intervals.
2. Watch out for caution signs and adhere strictly to the speed restrictions in these areas.
3. Watch for children darting out into the street. In fact, watch out for children EVERYWHERE and ALL the time!
4. Remember: Children are unpredictable. Their safety is YOUR responsibility. When in doubt ... STOP !

motorists must constantly of the fact that children do look before entering the motorists we have to alert and out think any situation may arise when we are on wheel.

Nursery**

By John

There are many vines suitable for planting this month of June. Some of them grow quickly for shade or screening and others grow slowly to cover small areas. Probably the fastest are wisteria, honeysuckle, and the orange trumpet vine. These you have to stand back from or they'll grab you like an octopus.

There are evergreen vines for permanent cover like star jasmine, lavender trumpet vine, ivy, and Carolina jasmine. They are not so fast growing but require less pruning and do a good job of remaining neat and pretty. More exotic climbers include passion vine, bougainvillea, and Burmese honeysuckle. These are colorful plants but a little more tender to frost.

New this week is a shipment of red clay pots of different design and also of Mexican pots brightly colored. Included are some hanging pots and things you would have to see to believe. Might even do for a Father's Day present to brighten the patio around his easy chair.

Forest humus and American peat moss are still on a special sale which aids your pocket book along with helping the plants survive summer. A good mulch of either keeps the roots air conditioned, controls weeds, smells nice, and looks pretty. See these on "E" Street just North of Olive.

County Cotton Growers Plant Acala SJ-1

BAKERSFIELD - Tulare county cotton growers planted 97 percent of their cotton acreage to the Acala SJ-1 variety, according to a recent variety survey conducted by the USDA's Consumer and Marketing service.

Carl J. Lorenzen, officer-in-charge of the Bakersfield Cotton Classing office, reported that the remaining three percent of the cotton acreage was planted to Acala 4-42. This compares to the overall planting in the San Joaquin valley of 96 percent Acala SJ-1 and four percent Acala 4-42.

Growers in Tulare county produced approximately 141,000 bales of cotton last season which was below the nearly 165,000 bales produced the previous season. The majority of this cotton was classed under the Smith-Doxey act by the Bakersfield and Fresno Cotton Classing offices.

"NO LICENSE" ANGLERS PAY FINE MONEY

SACRAMENTO - With 460 'no license' anglers chunking in most of the ante, 702 southern California and Inyo-Mono fish and game law violators paid \$14,091.50 in court fines last month. It marked an increase of nearly 100 over the number of cases prosecuted by Department of Fish and Game wardens in the same area during May last year.

The 'no license' cases were followed by 86 citations for

LEGAL NOTICE

SECTION A
Advertisement for Bid
NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of Tulare will receive bids for the construction of an "Equipment Storage Building at the Tulare County Road Maintenance Sub-Yard No. 1, corner of M205 and M199, Camp Nelson, California", in strict accordance with plans and specification on file with the Road Commissioner, Room 203, County Civic Center, Visalia, California. Copies of plans and specifications may be examined at or obtained from the Tulare County Road Commissioner's office.

Bids shall be submitted on forms provided by the County Road Commissioner and will be included in the booklet entitled, "Equipment Storage Building, Tulare County Road Maintenance Sub-Yard No. 1, Camp Nelson, California".

Bids and accompanying documents shall be sealed in an envelope marked, "Bid, Equipment Storage Building, Tulare County Road Maintenance Sub-Yard No. 1, Camp Nelson, California," and placed in the possession of the Clerk of the Board of Supervisors of the County of Tulare, Room 301, Courthouse, County Civic Center, Visalia, California, not later than 10:00 a.m. on June 18, 1968, at which time the bids received will be opened and read publicly by the Board of Supervisors at the Chambers of said Board of Supervisors in the Courthouse.

Each bid shall be accompanied by a certified check, cashier's check or a Bidders Bond for ten percent (10%) of the amount bid, payable to the County of Tulare. The said check or Bidders Bond shall be retained by the County as liquidated damages if the Bidder whose bid is accepted fails or neglects to sign the Articles of Agreement and file the required Bonds and Certificates of Insurance within five (5) days following the date on which he is notified of the award.

The successful Bidder shall furnish a Labor and Materials Bond in an amount not less than fifty percent (50%) of the amount payable under the Contract, and a Faithful Performance Bond for not less than one hundred percent (100%) of said amount. The successful Bidder shall furnish satisfactory proof of the maintenance of Public Liability Insurance in an amount not less than \$100,000 for one person injured in any one accident and not less than \$300,000 for more than one person injured in one accident and the maintenance of Property Damage Insurance in an amount not less than \$25,000.

Pursuant to Section 1770 et seq. of the Labor Code of the State of California, the Board of Supervisors has ascertained the general prevailing rates of per diem wages in the locality for each craft or type of workman needed to execute the Contract and not less than which rates the Contractor to whom the Contract is awarded and any subcontractor under him shall pay to all workmen employed in the execution of the Contract. Said wage rates are on file with the County Road Commissioner, and a portion of said rates is incorporated herein as follows to the same effect as if fully set forth herein.

SWIMMING PARTY, POTLUCK ENJOYED BY ROCKFORD 4-H

ROCKFORD - The Rockford 4-H club held its last meeting of the year, June 1 with a swimming party and potluck dinner. After the dinner, the members and parents enjoyed a baseball game.

A short business meeting was conducted by President Sandra Valine. The flag salute was led by Fred Hughes and the 4-H pledge by Mylene Stevens. As roll-call was said, the members turned in their 4-H books. The club elected a new club leader, Mrs. John Briano.

Mrs. Arvin Hochuli announced that on June 3, a potluck dinner will be held at her home for the leaders to judge books.

angling with more than one rod, 30 for overlimits of trout, 29 for no inland fishing stamps, 26 for loaded guns in vehicles, 19 for clam and shellfish violations, 14 for small game violations, and a wide variety of less numerous misdeeds.

California Cotton 99 Per Cent Machine Picked In 1967-68 Season

BAKERSFIELD - During the 1967-68 season, California's 1,056,000 bale cotton crop was 99 percent machine picked and one percent machine scrapped. Less than .05 percent of the crop was hand picked.

This compared to the national average which shows 67 percent of the cotton crop was machine picked, according to a report prepared jointly by the Economic Research service and the Consumer and Marketing service.

California growers paid an average of \$21.36 for saw ginning and wrapping a 500 pound bale of Upland cotton during the past season, an increase of \$1.95 above the 1966-67 season. Belt wide the average charge was \$18.60 per bale, which varied from \$21.36

per bale in California to \$13.36 in Alabama.

The pounds of seed cotton required for a 500 pound bale this past season in California by method of harvest were: Machine picked, 1,595 pounds; hand picked, 1,496 pounds; and machine scrapped, 2,446 pounds.

Charges for receiving cotton at public warehouses in California were 50 cents per bale compared to 83 cents across the cotton belt. The per bale storage charge of 51 cents per month was slightly below the national average of 54 cents.

In 1967 the farmer received an average of 38 cents of the consumer food dollar spent on the market basket of farm foods, two cents less than in 1966.

4-H CAMP

(Continued From Page 1)

Mrs. Joan Wardlaw, Success Valley; Mrs. Ida Fitton, Springville; Franklin Williams, Wilson-Dinuba and Jamie Conrad, Woodlake.

Junior counselors will be Paul Crawford, Woodlake; David Fitton, Springville; Mike Mackey, Oak Grove; Steven Williams, Wilson-Dinuba; Jeri Espindula and Nadine Domingos, Tulare; Sharris La Frantz, Three Rivers; and Donna Simmons, East Lynne.

It is expected that well over 100 Tulare county boys and girls will enjoy the camping program at the 7,200 foot elevation. The program will include hiking, swimming, outdoor living, mountain survival, campfires, crafts, and land and water olympics.

REDWOOD GROVE

(Continued From Page 1)

dedicated to an individual as monuments to the living. It is being created by the Western High Sierra Association, with the assignation of certain age-old redwood trees along an easily accessible street in Sequoia Crest for this purpose. The Western High Sierra Association is a group of business men in and around the Camp Nelson area of Tulare County and this particular mission of theirs is to honor persons who are considered to be outstanding citizens of the community or whose dedication to the mountains is pertinent to the area.

My Neighbors

"Either get a shave and a haircut or stay away from the picture window!"

INSTALLED LAST night as new president of the Tulare County Farm Bureau was Paul Johnson, of the Ivanhoe district, second from left, who is shown receiving the gavel from Hil Van Houten, of Tulare, outgoing president. Jack Fossett, of Exeter, third from left, is the new county vice president; Sarah Smith was re-installed as secretary-manager. Installation of officers was conducted during monthly meeting of directors, county committee chairmen, and commodity chairmen, held at the Farm Bureau center in Visalia.

BUSINESS AND a social evening were combined at a potluck supper meeting of the Porterville unit of the American Field service Monday evening in Murry park, with top photo showing Lee Clearman, president for the past two years, turning over the gavel (or reasonable facsimile thereof) to Betty Goode, incoming president; at left is Mrs. Burton Clark, of Visalia, district AFS chairman. In other photos, Clearman attempts to unravel the umbrella mystery as Helen Battles reads instructions - Miss Battles received the umbrella as a gift prior to leaving for Japan to participate in the AFS summer student exchange program; lower, Ruth Roeber, exchange student from Germany at Porterville high school during the 1968-68 year, receives a going home gift.

(Farm Tribune photos)

Americans drink more milk than any other beverage except water.

GREEKS HAD A WORD FOR IT.

"Where there is much desire to learn, there of necessity will be much arguing, much writing, many opinions; for opinion in good men is but knowledge in the making." - Areopagitica

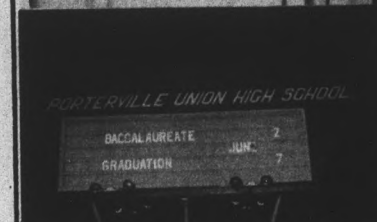

AND SO DO WE . . .

"Scholarship is polite argument." - Philip Rieff

"Every citizen of this country, whether he pounds nails, raises corn, designs rockets or writes poetry, should be taught to know and love the American heritage; to use the language well; to understand the physical universe and to enjoy the arts. The dollars he gains in the absence of enlightenment like this will be earned in drudgery and spent in ignorance." - Calvin Gross

TO THE GRADUATES . . .

Our happy congratulations to the many of you who have just completed one of the important steps in Life's race to success.

We also wish to show our appreciation to those members of the teaching staff, and other school personnel. Each has contributed a part. It has taken patience, perseverance and dedication on the part of all to bring such a large, fine class through the years to its graduation.

P.U.H.S. SENIOR CLASS BREAKFAST

A Savings Account Is Part of Your Future

They call it "Commencement" because life really begins at graduation! And, like a good career or a good marriage, wise money management will help shape your future. Best way to start? With a Federally insured savings account here. Open one now. Add to it regularly.

We want you to feel welcome now, and in the future, to ask us any questions, at any time, regarding money matters.
